

"FRIENDS ACROSS THE SEA"

ARIZONA, USA with RAMAT HA'SHARON & RA'ANANA, ISRAEL

The "Friends Across The Sea" program is a cooperative venture between the JCC Alliance4Israel, The Israel Office, JDC Eshel, and the senior citizens of Ramat Ha'Sharon and Ra'anana, Israel.

The goal of this program is to help introduce people from the cities of Ramat Ha'Sharon and Ra'anana with the people in the Greater Phoenix, Arizona region. By corresponding through emails and/or regular mail, our communities can forge a relationship with one another. People from both communities can get to know each other, share stories and experiences, and compare similarities and differences in culture and lifestyle. Holidays, simchas, and lifecycle events can be shared and enjoyed. Ultimately, a future visit to personally meet and strengthen the bond could bring a wonderful experience and an everlasting friendship.

We, at the JCC Alliance4Israel (JCCAFI) view this opportunity to establish an important connection between our communities, and a way to bring Israel to us and Phoenix to them. We hope that you would be interested in joining this project. Make a difference in their lives and yours. If you think you would like to become a participant, please call for more information or questions:
